# Electronics Electromechanics Pneumatics Systems

## About us

We are a Distributor for electronic, electromechanical and pneumatic components.

As an engineering office we are specialized in engineering support and distribution. We supply parts from standard components to customer-specific products, which we develop together with our suppliers. Our Well-known suppliers belong to the world market leaders in their respective industries.

With more than 30 employees and more than 50 years of experience, IBH Elektrotechnik GmbH is active across the borders of Germany.

As one of the few companies with aviation approval, we guarantee the very best quality standards with our certifications pursuant to DIN ISO EN 9001:2008 and EN 9120:2010 (aviation approval).

Our sales engineer are looking forward to visit you.

## Our Services

- **Warehouse and logistics solutions (Kanban, consignment stock, EDI, Just in Time, etc.)**
- **End of Life Solutions**
- **Prototyping**
- **Assembling**
- **Labeling**
- **Cutting**
- **Mounting**
- **Stamping**

**IBH**   
ELEKTROTECHNIK

**IBH**  
ELEKTROTECHNIK GmbH

**Energy**  
**Automotive**  
**Transportation**  
**Machine building**  
**Aerospace & Defense**  
**Medical**  
**Shipbuilding**

- Solid State Relays
- Reed Relays
- Sensors
- Temperature Controller

- Protective sleeves
- expandable
- self-wrapping
- mechanical
- thermal
- isolating
- shielding

**HENGSTLER**

- Counters
- Encoders
- Safety Relays
- Printers

- Solenoids
- Pneumatics
- Industrial PCs
- I/O-Modules
- Drive Systems

Resin Designs, LLC

- Heat Management
- Heat-Conducting foils
- Adhesive, sealing
- Silicones

- Cylinders
- Valves
- Ionizer
- Drivers

- PCB Relays
- Signal Relays
- Automotive Relays
- High-Performance Relays

- Connectors
- Buttons, Switches
- Polyswitch Fuses
- high-Current Connectors
- Cable, Wires
- Molded Parts, Solder Sleeves
- Shrinking Tubes
- Identification
- High-Performance Relays

- Sensors
- Relays: Solid state (SSR)
- Relays: Reed
- ESD Protection
- Polyswitch fuses
- Reedswitches
- Fuses
- TVS Diodes
- Overvoltage protection
- Varistors
